

Notice

Deuel County is in the process of updating the Deuel County Pre-disaster Mitigation Plan. This plan identifies potential natural disasters, their impact and possible projects to mitigate the impact of said disasters. The County is required by the Federal Emergency Management Agency to update this plan every five years. The Deuel County mitigation planning team will meet at 7:30 p.m. on Wednesday October 19, 2016 at the Clear Lake Fire Hall – 311 Hwy 22 East, Clear Lake, SD. The public is welcome to attend. Questions or comments may be directed to the Deuel County Emergency Management Director, Cory Borg at 605-874-8189.
